

## Northeastern Section NExT

Friday, November 16, 2007

Framingham State College

Framingham, MA

Section NExT, a program for new and relatively new colleagues, is held during the Fall and Spring meetings. Untenured full time faculty, those who have and have not been National NExT fellows, are welcome to participate in talks and workshops designed to assist new faculty in their transition from graduate school to professional academic life.

Dr. Joseph Gallian, University of Minnesota-Duluth, President of the Mathematical Association of America, recipient of the 1992 North Central Section Award for Distinguished College or University Teaching of Mathematics and the 1993 Deborah and Franklin Tepper Haimo Award for Distinguished College or University of Mathematics, will be this year's featured speaker. Dr. Gallian will speak on Communicating Mathematics.

- Registration and the session will take place in McCarthy's on the Second Floor of the D. Justin McCarthy College Center.
- Lunch will be served in the Dining Commons on the Second Floor of the D. Justin McCarthy College Center.

12 PM - 1 PM	Lunch	Dining Commons, CC
1 PM - 2 PM	Dr. Joseph Gallian - Communicating Mathematics  In this presentation I will offer my advice on how to present your mathematics orally and in writing. Topics pertaining to oral presentations include preparation, content and delivery. Topics pertaining to writing include the title, an abstract, the introduction, the body, joint authorship, acknowledgements, and where to submit your work.	McCarthy's, CC

Registration for the Fall Meeting will take place in the Concourse of the D. Justin McCarthy College Center
